

# This Playbook is...

...a guide Ford Otosan, encompassing key principles and best practices of Agile mindset

...a living document, which will be developed iteratively throughout Ford Otosan's Agile journey

...aligned with Koç Holding's **Playbook** in terms of structure and content, good practices and will be updated accordingly

# Agile@FO Playbook ...

... is intended to be a practical  
guide for an Agile@Scale  
Operating Model

... is not intended to be a detailed  
prescription that answers all the  
questions

... is intended to be a reference  
mainly for Agile Coaches and the  
FO Agile Transformation Team

... all Chapters are not necessarily  
needed to be understood by all of  
the organization

... might not be 100% familiar to  
those who have never experienced  
Agile WoW before
